

ORGANISATIONAL TRANSFORMATION PROGRAM

CLIENT : MACIF

hack⁴⁰

ACCELERATE THE TRANSFORMATION OF YOUR ORGANIZATION

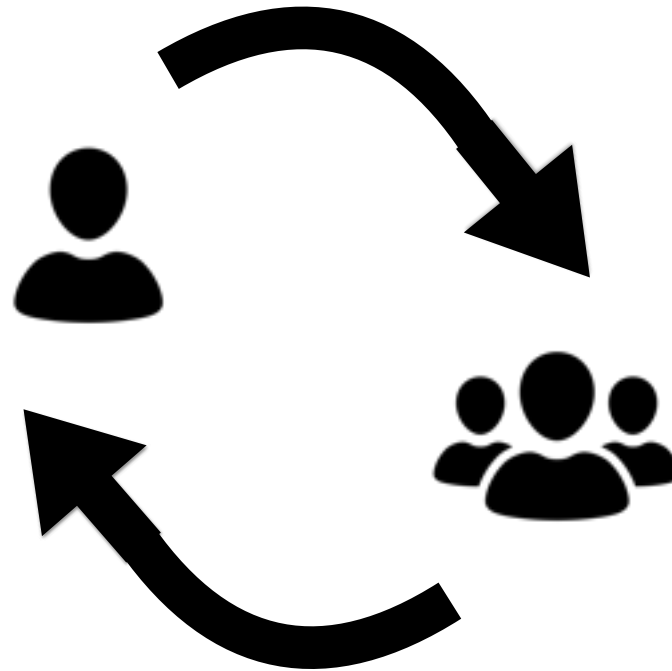

Prototype and implement an innovative organization by experimenting the startup culture and methods on your projects and **turning your leaders into intrapreneurs**, in 4 months.

THE PATH TOWARDS ORGANISATIONAL CHANGE

ONE-TO-ONE MENTORING SESSIONS

378 hours of mentoring

Create a new leadership culture by turning your leaders into intrapreneurs, mentors and facilitators

COLLECTIVE SESSIONS

16 workshops

Build your new organisation through the experimentation of startups methods, directly applied to your projects.

INTRAPRENEURS OF ORGANISATIONAL CHANGE

Activation of a new posture and mindset

Co-creation & formalisation of the department internal modus operandi

Co-creation & Implementation of a new managerial organisation

MEASURING THE TRANSFORMATION

#CULTURE

Collaborative management,
Test & Learn and
Maker Mindset

#ORGANISATION

A user-centric organisation
with empowered employees

« I think that I really improved my management style thanks to my Hack40 mentor »

« **During the collective sessions, I have learnt technics and methods to facilitate my workshops. It has enabled me to operate a posture shift** »

« Thanks to the mentoring sessions, I realized what I could have done better in the past »

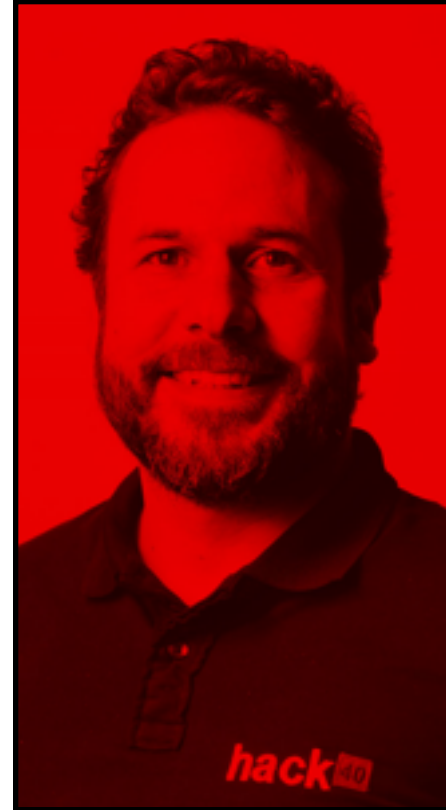

« I have made progress. I now know how to truly lead, how to facilitate a meeting and promote initiatives »
